April, 2021 *Notes from the Sky Pilot's Page* Red Lodge, Montana

Hosea 6:3 (NRSV) *Let us know, let us press on to know the LORD; God's appearing is as sure as the dawn; God will come to us like the showers, like the spring rains that water the earth."*

"April showers bring may flowers!" This familiar phrase that we teach our children carries us into our next season. We know, of course, that the flowers do not just "magically" appear. The bulbs and dormant seeds that lie under ground all winter, while seemingly taking a long winter's nap, are doing some work. They are conserving, germinating and preparing to receive the spring rains that will give them the ability to sprout as soon as the snows are gone and longer days give warmth for the ability to bring their growth into action – to "re-act"- and live yet again. The rain meets the bulb and seeds right where they were left in the fall.

In our spiritual lives we have the same journey on a daily basis. We say our evening prayers, ask God to give us another good try in the morning, and take our rest. In the morning we greet the day with God's promise of another season to "re-act" to grace. We shake off our dormancy, our rest, where the Spirit has whispered to us throughout the night, "conserve, germinate and prepare." God comes to meet us in the morning right where God left us; so what is our "re-action" to that?

Do we find new energy from what we have conserved? Do we begin to grow a new way? Do we prepare our way using God's guiding light, strength and promise? Or do we try to bury ourselves deeper in the doubt that we took into our rest? Do we ignore the light and continue to lean into our shells and husks that are left as a dormant remnant of old habits and denial? If the bulbs and seeds were to do that... well, our landscapes would be nothing more than dismal sand. We are fortunate to live in a place where spring flowers abound trees flourish with new growth. Our spiritual lives give us that same opportunity, and thankfully, not just for one season a year.

Every morning we start fresh. As God comes to us and awakens us we are just as sure of our ability to grasp the promise of a new day as we are that God will come again tomorrow. Ask yourself, "How do I re-act to each new day?" Are your actions abounding with the promise of new, fresh and bright? Are they representative of your understanding of grace? Flowers and trees do not come back in the spring as the exact same flower that they were last year. They are always a little bit different. Brighter, different hues, taller, shorter, the scent a little stronger. Allow your understanding of God's promise of grace to bring you into your tomorrows like that... different from today and looking forward to tomorrow.

Peace, Pastor Pam

A Word from the Deacons....

The following message was sent to our congregation by your deacons. If you did not receive this information or would like assistance getting on the vaccine list, please call one of the deacons listed.

When vaccines arrive, Carbon County will begin offering Covid 19 vaccinations to persons included in **Montana's 1B Phase Group**. This initial phase targets those most at risk for severe Covid disease. Generally, it includes anyone 70 years of age and older, people of color including <https://surveymonkey.com/r/C27SG8P>Native Americans and other at-risk groups ages 16-69 years of age with any of the nine listed high-risk medical conditions.

The vaccination process will look very different than receiving a flu shot. Limited supply arriving weekly will require you to be placed on a vaccine interest list. You will be notified via email or phone in the order you were placed on the list by our local Public Health Department.

Phase 1B is a large group and will take several weeks to complete and hopefully Montana will begin vaccinations in the next two weeks. You may be called sooner if vaccines are available.

If you wish to receive the Covid 19 vaccine, please complete the survey. If you are unable to complete the survey online, please call your deacon for assistance. Here is the link for the Covid 19 vaccine survey:

Christian Education

Christian Education is so excited to announce that we have started our in church, church school. We are planning to meet in person every other week, and the other weeks are by Zoom. We had our first in person church school on January 17th and we had a blast!

Christian Education also has a new curriculum, that we are implementing that many UCC churches use. It will be very educational and fun. We are planning our Easter pageant (already!) so stay tuned...

Director of Christian Education

Volunteers Needed!

We're looking for volunteers to help with small jobs in the kitchen. We need someone to empty out all the salt and pepper shakers, wash them, and fill them up again. The knives need to be sharpened. There are lots of little jobs like this that we could use a hand with. If you're interested in helping out, please call Marie Shirley-Jones at 426-0713. Thanks!

A Report from Facilities Management on Refreshing the Fellowship Hall

The Fellowship Hall refresh is close to done. The room was repainted in November. The old carpet was removed and the new carpet was installed during the week of Dec. 13 to 18. We think it looks very nice now and is a big improvement! Skip was able to do some repairs that were needed on the old cabinets and thinks we can get several more years out of them. We are planning to reinstall the cabinets with new countertops after the holidays. That should be no problem as the building is pretty much shut down and there are no events taking place. Stop down and check out the face lift. Here are a couple of snapshots of the room with new carpet and new paint.

Mail Chimp Mailings

Have you been missing your Monday Memo and Weekly Wrangler that are sent out through Mail Chimp? If so, you may have been accidentally unsubscribed from the email list. If you'd like you re-subscribe, you can do so by [clicking this link](#). You can also email Mia and ask her to sent the link to you.

Enjoying the Directory?

We hope you are all enjoying the new church directory! We have had some folks who experienced issues accessing, downloading, and/or printing the directory. If you're one of those and you haven't emailed or called in for some help yet, please do. For those of you who still need to get your photos in, or if you need to update your information, you can send an email directly or you can use the directory form on the website. If you have questions or issues email or call Mia at the church office. Enjoy!

Notes from the Office...

If you or your committee have a project or some other need for assistance from the RLCC staff members, please let us know. We have staff meetings every **Monday at 1am. We won't be answering the phone during our meetings**, but we sure can discuss how best to help you with your requests. So, let us know if you need something that we can help with.

As always, please remember to get your articles and/or announcements for the Shalom and the church calendar in by the 20th of the month.
