TAKE THE CHALLENGE - Add to the Pot

The Stewardship and Outreach Committee was allotted \$9250 for Hazel Chamberlain outreach this year. In years past we've had considerably more. Because we have so many very worthy nominations and less to give, we would like to offer you a challenge. **Add to the pot!** What better opportunity to make a tax-deductible donation to a worthy charity? We'll make it easy: Write a check to Red Lodge Community Church and indicate in the Memo space, which charity is to receive your personal donation. If you want to support all ten nominees, write POT in the Memo space. Enclose the check with your ballot(s). (Details of your donation will not be disclosed except to the church clerk.)
