

# Red Lodge Community Church, UCC

# Notes from the Sky Pilot's Page August 2020

"Now you are the body of Christ, and each one of you is a part of it." (1 Corinthians 12:27, NIV)

Joy. Thanksgiving. Gratitude. Expectation. Unknown.

These five words describe our journey together these last four months. Joy for our faith and grace, thanksgiving for all of the hands that make this journey possible, gratitude for the grace extended from each of you, expectation for what is coming next and the admission that what comes next might be well planned and we realize that it continues to be unknown.

Our church has held herself together in a way that none of us could have dared prayed for. We've now entered into a time that, while physically apart, has brought us closer together through the technology that we have become accustomed to. The love and care of our Deacons is evident with the response to their zoom meetings and our outdoor worship services. The determination of our Facilities Committee to provide safety helps us maintain access to a building that is both used and waiting to be used. The open mindedness of our Executive Committee brings a steady hand to our decision-making process. The visioning done by our Stewardship and Missions Committee leads us into a place of hope for our mission. The Church Council's discernment for the promise of our future holds us all in a place of trust.

My own work cannot be done without all of you. Knowing that the Spirit's Nudge guides our worship is not enough. It is the continued dedication of the whole that brings all of the parts together. Providing pastoral care, administration and leadership is never the work of just the pastor and our church is proving that. We are truly all ministers of the Gospel.

While we continue to wait this virus out, we are not waiting alone. Our church and our community wait together. As the unknowns become knowns and the knowns become unknowns, we face them with grace, imagination, and patience. With fascination we see our church's finances remaining stable and the number of views for our on-line worship services grow. Our outdoor worship provides hope and encouragement in community. Our ability to respond to questions, needs and suggestions within hours is possible only because all of you are called into this ministry together.

No matter which part of the body you are, you are needed and appreciated!

Peace, Pastor Pam

#### From the Deacons...

We will have outdoor services Sunday, August 2 at 1:00 PM at the Kaleva Lodge north of Red Lodge (7790 Route 212). Sunday, August 16 at 1:00 PM, we will be at Lions Club Park. Once again, please bring your chair, mask, umbrella, and your own picnic lunch if you would like. We will not be having our annual potluck lunch. Thank you to Audrey Clark for gra-

ciously supplying us with masks for those that do not have one for services. Thank you to Pamela and Lucian Carter for helping the Deacons at our outdoor services. A free will donation basket will be at the Kaleva service for those who would like to donate for our use of the grounds this summer.

### Unofficial Congregational Meeting 7-12-20, 11:00 a.m. via Zoom

32 people were present

Question: How do you feel about re-opening our sanctuary for worship, then when and how.

Moderated by Jim Brown, Moderator

The following thoughts were shared, the number next to the thoughts notes how many out of the 32 present shared the same ideas. Variables: 2 people may have had technical problems and did not respond. While the number notes how many "voiced" their thoughts, there was generally a positive response to these statements through nodding and "thumbs up" responses.

Yes, reopen now for those who wish to attend, using mandatory protocols (11/32)

No, wait until at least after Labor Day (15/32)

Need a more detailed look at possibilities for re-opening (3/32)

Protocols need to be followed when re-opening happens (11/32)

Help is needed to assist with in-person worship (9/32) and is that help even realistic (4/32)?

Concern over the rising numbers of COVID19 cases in our county and Red Lodge (4/32)

Missing live services (2/32)

### **Unofficial Congregational Meeting 7-12-20, 11:00 a.m. via Zoom** (cont'd)

Missing the fellowship and socialization (4/32)

Deep appreciation for current on-line services (5/32)

Appreciation for the high level of communication coming from Pam and the church (2/32)

Concern for Pastor Pam's safety and comfort level in regards to exposure (6/32)

Concern for Mia's safety and comfort level in regards to exposure (3/32)

Outside worship is good, comfortable and viable with weather (6/32)

Wait for better numbers, the rise to stop and fall (2/32)

Concern for trusting people to adhere to protocols, not only in worship but in public as well (5/32)

Not enough control over masking in Red Lodge (4/32)

Possibilities suggested included using an RSVP system with an agreement to the protocols developed. Possibility of adding taking temperatures to the protocols was suggested. Concern over re-opening and then having to close again was shared. There was one person concerned over the church being locked during business hours.

"This is a ministry that knows no bounds."

"Allow those who want to be there now with *their* time and effort. Allow people to attend based on their comfort level."

Concern for Pam preaching to an "empty" congregation.

Concern for children and tourist visitors

Concern for opening church beyond our known attenders

It was noted that it is unknown what the school's plan is at this time

It was noted that there are many on-line services available besides our own, you can virtually go to church all day.

We should be cognizant of unknown changes that are happening daily and in a hurry (rise in numbers, new science)

Jim Brown shared thoughts from a UCC webinar that he attended offering a possible <u>Covenant of Carina</u> for live services. There is a UCC church out east who will not be gathering until September 1, 2021 when they are fully ready for technology and protocols. Their on-live services are going very well.

Pastor Pam thanked everyone for the dignity and respect in the meeting and for their deep caring for herself and Mia. She was disappointed that no one attended who would speak for opening immediately even though she knows that there are people who want that. Pastor Pam does not feel that this is a majority wins or rules the decision.

The responses to on-line worship are wonderful, including financial support from around the country.

We are scheduled for outdoor worship in July and August. Two other outdoor spaces, the Roosevelt and our own outdoor area don't seem to be viable; too much noise and no shade plus the need for permission from city council to close the alley during outdoor worship. Pastor Pam has requested a monitor system for the doors to allow more ease of coming and going. Masking is required. All of Pastor Pam's and Mia's suggestions and requests for safety measures are being heard and acted on.

Pastor Pam closed with a benediction.

# Moment from the Moderator MOMENT FROM THE MODERATOR

As I was sitting in Lion's Park yesterday waiting for the outdoor service to begin, I had a view of the Mountains to the south. The silhouette was very familiar. Yet, the integral parts and colors change with the season. Summer is green. Fall is orange and brown. Winter is white. Spring is bursting with bright colors and pungent smells. Our church is like the mountains. The outward silhouette is represented by the

building we all know and appreciate, but the integral parts—services, congregants, personnel, and opportunities—change with the days and years of our existence. The last six months have forced all of us to embrace, adapt, or ignore the elements of change in our church and in our community. No one knows what lies ahead for the mission of our church, but we know change is required!

I want to leave you with three thoughts.

Be the change that you want to see in the world...Mahatma Ghandi

Change will not come if we wait for some other person or some other time. We are the ones we have been waiting for. We are the change that we seek...Barack Obama

There are far better things ahead than we leave behind...C.S. Lewis

# Confirmation Class Mission Work Has Begun!!

"...for I was hungry and you gave me food, I was thirsty and you gave me something

to drink, I was a stranger and you welcomed me, <sup>36</sup> I was naked and you gave me clothing, I was sick and you took care of me, I was in prison and you visited me.' <sup>37</sup> Then the righteous will answer him, 'Lord, when was it that we saw you hungry and gave you food, or thirsty and gave you something to drink? <sup>38</sup> And when was it that we saw you a stranger and welcomed you, or naked and gave you clothing? <sup>39</sup> And when was it that we saw you sick or in prison and visited you?' <sup>40</sup> And the king will answer them, 'Truly I tell you, just as you did it to one of the least of these who are members of my family, you did it to me.'" (From Matthew 25: 35-40)

The Confirmation Class, all of whom are entering the 7th grade in the fall, has begun their mission work! They are raising funds for blankets through Church World Service. These blankets are distributed throughout the world by Church World Service for disaster-stricken areas and the homeless. Each student will be trying to raise the MOST funds...and the one who succeeds gets to have their own success shared with Pastor Pam. If Eliza comes out on top, Pastor Pam has to bake her bread. If Samarra is the top fund raiser, Pastor Pam has to make her Rice Krispie Treats. And Mason...well...Mason has challenged Pastor Pam to cracking raw eggs on her head...in public!! So support these great mission-focused students by going to the "giving" link on our webpage, <a href="www.redlodgecommunitychurch.com">www.redlodgecommunitychurch.com</a>, and selecting which student you would like to support. The blankets are \$30.00 each and the mission campaign will run until August 15. Good luck, Confirmation Students!! To find out more about Church World Service, please visit <a href="www.cwsglobal.org">www.cwsglobal.org</a>.

Update: As of publication time, the Confirmation Class has raised a total of \$1,055. Congratulations to you all! Eliza is in the lead!

# For the young and young-at-heart!

After looking up each Bible passage, find and circle the location in the word search. (If a verse lists more than one place, figure out which one is hidden.) Answers can be found horizontally, vertically and diagonally.
